

The high cost of an unexpected repair is the last thing you want to worry about.

Extended Service Contracts

In a challenging economy it is important to "COST GUARD" and protect your investments. For a few extra dollars, you can receive protection against an unexpected expense. Vyn-All's Extended Service Contracts are purchased at the time you buy your inground liner, and are designed to provide additional coverage and benefits in the unlikely event of a seam delamination.

Choose a plan that is right for you.

PREMIER LEVEL: 3-Year / \$1,000 / suggested MSRP \$79.95

3-year, full inground liner replacement, \$1,000 water and labor allowance program

ELITE LEVEL: 5-Year / \$1,500 / suggested MSRP \$119.95

5-year, full inground liner replacement, \$1,500 water and labor allowance program

Customer Service

In the event your Vyn-All liner has an unexpected seam failure, you are covered under the Extended Service Contract. For copies of the contracts, complete details and how you can participate, please contact your dealer to assist you.
